

Outreach Efforts Concerning WHCN, WKSS, WPOP, WPHH, WWYZ

Although the EEO recruitment rules that the Commission implemented in 2000 were suspended the following year, Clear Channel stations have continued to strive for broad and inclusive outreach since that time. Examples of the efforts made by stations in this employment unit include participating in numerous job fairs, conducting an ongoing internship program, working with the Connecticut School of Broadcasting Scholarship Program, and continuously engaging in ongoing EEO training sessions.

For additional information concerning the outreach efforts undertaken by stations in this employment unit, see the attached EEO Public File Reports.

Since the current EEO rules went into effect on March 10, 2003, the stations have experienced no notable difficulties in our outreach efforts as of the date of this application.
